"The union of Relevant Radio and Immaculate Heart Radio represents a hopeful milestone for Catholic media in this country. With full

power radio stations in New York, Los Angeles, Chicago, and San Francisco, plus fifteen of the other top fifty media markets, Relevant Radio will positively influence over 100,000,000 souls 24/7/365 and will help 'move the masses to the Masses.'"

- Reverend Francis J. Hoffman,
"Fr. Rocky"
Executive Director of Relevant Radio

"In a way, this merger feels like a historic moment in Catholic communications in this country... For the first time,

there will be a single Catholic voice in our nation's largest media markets... I welcome this news and I look forward to our continued partnership in proclaiming the Good News of Jesus Christ to every person..."

- The Most Reverend
José H. Gomez,
Archbishop of Los Angeles

"Relevant Radio has been a consistent support to the mission and ministry of the Diocese of Green Bay, for it

serves to spread the Good News of Jesus Christ and reach many people who might not otherwise have the opportunity to hear the message."

- The Most Reverend
David L. Ricken,
Bishop of Green Bay
